

Apōpō Education Trust

Dear Parents / Caregivers,

As you are aware, the Apōpō Education Trust has been set up to enable parents to purchase a netbook for their child to use at school. After careful consideration the Trust has negotiated a very competitive price on a

Acer 11.6" C730E 2GB Chromebook

	SPECIFICATIONS
	2.16GHz Intel Celeron N2840 dual core processor 2GB System Memory 16GB Solid State Drive 11.6" 1366x768 LED Screen Intel HD graphics with 128MB dedicated system memory 802.11A/G/N Wi-Fi CERTIFIED + Bluetooth 4.0, USB3 x 1, USB2 x 1 Google Chrome OS (Cannot install Windows) Crystal Eye webcam 36 Months Extended Warranty

This device comes with an extended three year warranty for **\$340** including GST. This is a substantial discount as these machines normally retail at this price for the machine only.

Benefits of Purchasing through the Trust

There are many benefits of purchasing through the Trust programme. Some of these are;

- Discounted price compared to shop retail price.
- A three-year warranty.
- A range of insurance packages.
- A range of payment options.
- Access to school technical support.

This Acer Chromebook offer is limited, and is available until the **Friday 16th December 2016** only. After this date the Apōpō Education Trust may have to renegotiate price and model and this could be more expensive.

Apōpō Education Trust Insurance Package

The Apōpō Education Trust is offering a cost effective insurance package for parents. This insurance package can be purchased for 1, 2 or 3 years. An \$80 excess would be in place for any claims. One condition of this insurance scheme is that the cover is only effective while the student is at Waiiau Pa School. Therefore if the student moves to another school or goes onto College the netbook will not be insured during this time. Therefore the Trust has set up a range of insurance options to accommodate individual needs.

The insurance package is compulsory for those parents taking up the payment schedule.

Insurance Packages		
12 months	24 months	36 months
\$50	\$100	\$150

Payments Options

The Äpöpö Education Trust has made the following packages available to parents. The weekly instalments will alter should parents wish to pay a bigger deposit.

Cash Price			
\$340	12 months Insurance + \$50	24 months Insurance + \$100	36 months Insurance + \$150

1 Year Hire Purchase Package <i>(includes, 12 months insurance, admin fee and interest) – the \$50 deposit</i>	
\$30.53 per month	\$7.03 per week

*Additional insurance can be purchased at \$50 per year

2 Years Hire Purchase Package <i>(includes, 24 months insurance, admin fee and interest) – the \$50 deposit</i>	
\$18.64 per month	\$4.29 per week

*Additional insurance can be purchased at \$50 per year

3 Years Hire Purchase Package <i>(includes, 36 months insurance, admin fee and interest) – the \$50 deposit</i>	
\$14.84 per month	\$3.42 per week

*Additional insurance can be purchased at \$50 per year

All prices include 3 Year warranty and GST. A variety of insurance packages are available.

\$50 deposit can be made at the school office with cash or cheque. Unfortunately EFTPOS cannot be used for this. Or payments can be made by direct credit to the Apopo Education Trust 123031-0386229-00, using your child's name as the reference.

What to do next?

- Complete, sign and return the Äpöpö Education Trust order form to the school
- A deposit of \$50 is required with each order. *Cheques payable to Äpöpö Education Trust*
- Complete the required documentation to set up your preferred choice of payment
- Cash purchases can be done at the school office

Delivery/Configuration

All computers purchased will be delivered to students once in stock at the school. The reasons for the delay are:

- Google accounts will be configured to the Chromebook.
- All devices need to be configured to the school's network.
- Teachers need to discuss with students the proper use and care of these devices as well as personal Internet Safety. All the students need to understand the school's expectations for the use of the devices at school before handing the devices over to the students.
- Students will be working on them at school to set up Google Accounts prior to being sent home
